Section VII. Hobson Score for this Vendor

Note:

*Bargaining Power refers to vendor's bargaining power when negotiating with buyer. This was evaluated by vendors' current order volume and capacity utilization rate.

**Commercial Professionalism was judged by vendor's exporting history and P2P communication.

Annex:

How was this vendor scored by Hobson?

1. Capacity Scale: 9 stars means about 90% of vendors of similar products are of smaller capacity than this vendor in the region/country where vendor is located.
2. Capacity Utilization: About 80% of the vendor's capacity was occupied when the vendor was reviewed.
3. Quality Control: 7 stars means 70% of industry vendors have less stable customers than this vendor or fewer internationally recognized certificates than this vendor.
4. Commercial Professionalism was judged by vendor's exporting history and P2P communication.
5. Reliability was evaluated by the vendor's overall exporting performance and its registered capital.
